CHACHA MARO

REG. NO.. 2018-04-06802

COMPANY/INSTITUTION: ICT PACK SOLUTIONS LTD

WEEK NO. 3	FROM <u>28th September 2020</u> TO <u>02nd October 2020</u>
-------------------	--

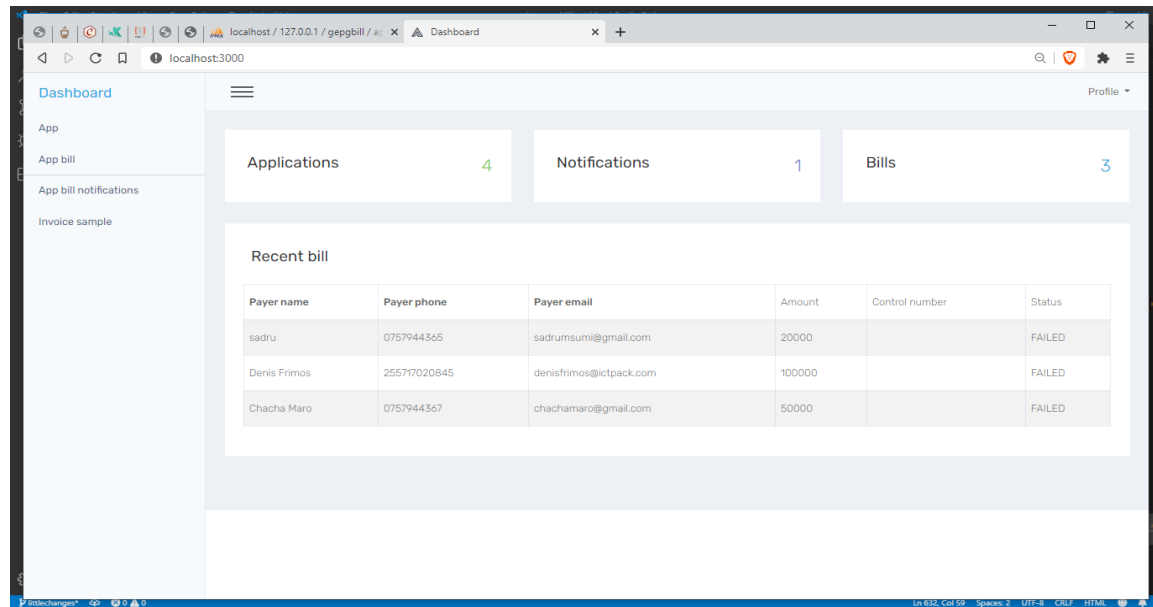

DAY /DATE`	ACTIVITY
Monday <u>28th Sept 2020</u>	
	Designed Admin Dashboard for GePG billing system that contains
	Modules showing The number of available apps, Number of Bills
	And the recent bills
Tuesday <u>29th Sept 2020</u>	
	Modify the App module where the User views a few details about the
	App, added fields to view more details about the App, Edit App details
	And view the App configuration.
Wednesday <u>30th Sept 2020</u>	
	Design an interface for viewing the Bills. All the bills in the Database
	Are clearly displayed in the User Interface
Thursday <u>1st October 2020</u>	
	Added Notification field in the interface. This contains all notifications
	About successful bills and cancelled bills And all payments
	notifications
Friday <u>2nd October 2020</u>	
	Designed and implemented an Invoice that contains bills information
	And control number and the amount to pay.
	Enabled downloading the invoice as a pdf document
Details Of the Main Job of the Week	

Operation: ADMIN DASHBOARD DESIGN AND INVOICE GENERATION	Machinery/ Tools Used
The dashboard interface has fields that fetches the number	
Of available applications in our system, the number of	
Bills that we have in the system and the number of notifica-	
tions. As shown in the next page	
The system also allows the user to generate invoice	
Where the generated invoice can be downloaded as a pdf	
A sample of invoice is shown in the next page
